### Meet in the Middle Netball League

A team of up and coming netballers are playing in a four week netball league in Otorohanga. This experience is providing a team of netballers an opportunity to play more netball against a different range of teams.

What an exciting week was had by all three Pukenui teams in the Maniapoto netball finals. This definitely showed what depth of talent we have in our school. Congratulations to Pukenui Gold on winning their section against TKP. This was an extremely hard final having to go into extra time to secure the win. Congratulations also to Pukenui Black, who placed second in their final. Overall, all the team players, both girls and boys deserve a special thank you. The successful season wouldn't have been possible without the dedication of the coaches and managers; Robyn, Zara, Sam, Helen and Resden.

# SNACKS

Snacks are an important part of our day as they give us energy to keep going between meals. Snacks are 'mini meals' and should come from the four food groups.

- Vegetables and fruit
- Milk and milk products
- Meat and meat alternatives
- Grain foods
