Kapa Haka

On Saturday 7th, our Kapa Haka group performed at the Te Nehenehenui Festival in Piopio.

They gave a stunning performance. This is the first time we have participated in this festival. A huge mihi to our students who did us proud, to our tutors and their extended whanau/friends who supported them and provided assistance for the tutors.

Also, to our whanau and wider community who supported in so many ways helping at the noho, with kai, fitting the kakahu, making resources, providing transport, support and care for our tutors and tamariki and also the large turnout of extended whanau who attended the festival day. Thank you

to all the school staff who have covered classes, released teachers, prepared resources and assisted with students to have this such a successful experience for the tamariki.

We are searching for people to help with our riding programme. If you would like to see what we do please come down to the Island Reserve during session times. A great way to fit in some exercise, meet a great bunch of people and make a real difference. Horse experience an advantage but not essential as full training offered.
